Kyuss, N.O.

I wake up tomorrow today Just help me find my head I could be dead

Where to go, what to say When you're crossin' my line Oh, give me time, give me time Oh, just like they said

I live my life alone Never going home Just like they said It's just a song to sing, it's just a song to sing

I wake up tomorrow today Just help me find my head I could be dead

Where to go, what to say When you're crossin' my line Oh, give me time, give me time Oh, just like they said

I live my life alone Never going home Just like they said It's just a song to sing, it's just a song to sing

Give me love, give me love Give me love Well, just like they said
