

Kyuss, Tangy Zizzle

"Yeah, yeah put it in gear, baby. Hell yeah, that's what I like about you, baby, you're

Wherever you go, is where I go
Whatever you say, keep it running
When the wind blows, when the sky breaks
Hold your eyes in, and believe it

Where you want me to be? (4x)

In the morning, when it's raining
I couldn't believe it, no complaining
Fuck the others, fuck the teacher
They'll never know this, is he crazy?

Where you want me to be? (4x)
