

# L.A.X, Options (feat. Ayra Starr)

You got options, I know  
But rookies can't mess with pros  
I want you but I have to choose me  
But you keep running back  
Baby  
Have a listen what me saying  
I don't wanna have to do this  
But I got to choose me, I got to choose me, yeah

Bad boy me I stay jiggy  
And everything you know I done did it  
If it's not for me, then I leave it  
Then I leave it, ah  
I don't wanna speak bars to you cos action speaks louder
