L', Into thy gentle embrace
From the steel torn world - an Abyss of hate From the world outside - where hate rules the mind From the steel torn world - an Abyss of hate From the world outside - where hate rules the mind From the steel torn world - an Abyss of hate From the world outside - where hate rules the mind From the steel torn world - an Abyss of hate From the world outside - where hate rules the mind From the steel torn world - an Abyss of hate From the world outside - where hate rules the mind From the steel torn world - an Abyss of hate From the world outside - where hate rules the mind From the steel torn world - an Abyss of hate From the world outside - where hate rules the mind From the steel torn world - an Abyss of hate From the world outside - where hate rules the mind From the steel torn world - an Abyss of hate From the world outside - where hate rules the mind From the steel torn world - an Abyss of hate From the world outside - where hate rules the mind From the steel torn world - an Abyss of hate From the world outside - where hate rules the mind From the steel torn world - an Abyss of hate From the world outside - where hate rules had a steel to the steel torn world - an Abyss of hate From the world outside - where hate rules had a steel to the steel
