

# La Bouche, Whenever You Want

Chorus:

Whenever you want my love, call me I'll be there  
Whenever you need my love, call me I'll be there  
Whenever you want my love, call me I'll be there  
Whenever you need my love, call me I'll be there

Verse1:

We've been together, seems like a long time  
Somehow we've fallen from a mountain so hard to climb  
I think it's time for us to pick up the pieces,  
And find a new way to become the friends we were once before

Chorus

Bridge:

Na na na na na na na na na

Na na na na na na na na

Na na na na na na na na na

Na na na na na na na na

Verse2:

I can remember going place that were everywhere  
Now we're just going through the motions feeling nothing there  
If we could try maybe we'd pick up the pieces, I know we can, yes we can  
Then we could be friends like we were once before

Chorus

Bridge

If we could try maybe we'd pick up the pieces, I know we can yes we can,  
Then we could be friends like we were once before.
