

La India, I Just Want To Hang Around You

Yo no puedo resistir
Lo que me haces sentir
Yo quiero amarte nada mas
Solo a ti
Por que tu forma de querer y tu manera de ser
Quiero decirte que ya comprendi
Que te amo
Solamente a ti

I just want to hang around you
Every day and night
All of my life around you
Hang around you baby
I just want to hang around you
Everyday and night
All of my life around you
Hang around you

I get so hypnotized
When I look in your eyes
Hold me close
Hold me

I get butterflies
When Im right here by your side
I need your touch
Cant get enough
Love me
All you got to see is

Quiero siempre estar contigo
Enamorados tu y yo
Enamorados tu y yo
Junto a ti yo quiero estar contigo
Siempre
Siempre contigo

Quiero siempre estar contigo
Enamorados tu y yo
Enamorados tu y yo
Junto a ti yo quiero estar contigo
Siempre contigo
Spending every moment of my life
Within your gaze
Your forever love
To have you and to hold you
So you never ever need your crystal ball to know where Ill be
Always stay around you boy
Around you boy
Oh
I just want to hang around you
Hang around you
All night babe
Ah holding you tight

I just want to hang around you
I just want to hang around you boy
Every night
Every day
Till the morning
All night babe

Yo Serg
Get funky now

Come on
Come on
I just want to hang around you
I wanna hang around you
And love and hold and squeeze you all the time
All the morning light

Yo quiero estar contigo
Contigo baby
Amandote
Tu y yo
Yo quiero estar
Yo quiero estar
Contigo
Contigo
Oh
Siempre
Siempre
Yo quiero estar
Contigo
Contigo
Oh
Siempre
Siempre
Oh
Yo quiero estar
Yo quiero estar
Contigo
Contigo
Oh
Siempre
Siempre

You
Because I want you baby
Oh
