

La's, Doledrum

Oh no don't go down to Doledrum
Oh no don't go down to Doledrum
If you know what's good for you
Then you know what you can do

Just 'get up a fuss and shout'
Get on the bus get out of Doledrum

All my life goes by in Doledrum
I'll see ninety-five in Doledrum

I can't see much down for me
I think I'll run away to see
I'll just get on my coat and shout
Get on the boat get out of Doledrum
