How big is life? Can it ride like the butterfly?  
Star in the dust - rocketman - supersky  
Sugar on the hill. Explode and never die. I think I will.  
Come on take it! High - I gotta O yeah!  
So high - I gotta O yeah! Come on!  
So loosely illustrated. A trick of light. I demonstrated right to you  
what you do!  
How high is up? Can it reach at the butterfly? Rise in the howl hit  
me cold - supersky  
Witness the kill EXPLODE! Never die. I think I will.  
Come on take it! High - I gotta O yeah!  
So high - I gotta O yeah! Come on!  
So loosely illustrated. A trick of light. I demonstrated right to you  
what you do YEAH!  
Deaf to the ear. Fat city slang. Bloody ma growls &quot;concentrate the

bang&quot;  
Broadway do. The winter kills. Astro Creep'n you until. Overcome the  
devil.  
Deluxe the game. One, sweep, spun &quot;I got no name&quot; a paper thin cut.  
On the edge of hell.  
Wrestle with heaven but I never fell. Sink to a level realize no  
direction.  
West of the moon I got no reflection.  
Blood on the stone I do not surrender.  
Wait'n for someone I do not remember.  
Yeah! I gotta O yeah! Come on! So High - I gotta O yeah! Come on!  
So loosely illustrated. A trick of light I demonstrated right to you  
what you do!
