

# La Sexorcisto, Soul-Crusher

Leatherneck'n down the street like "Hey I'm joyrid'n" Like a bad dog  
- come on "Burn in!"

Leatherneck'n down the street like "Hey I'm joyrid'n" Like a bad dog  
- come on "Burn in!"

Demon got my soul and I said "Drive!" Come on - speed kills - but I'm  
alive yeah!

In my Durango 95 Yeah!

Casino on the edge she move like a twister gravity crank - solo my  
sista!

Come on. She said "Take me away!" Away! Away! Shout!!

I'm deadly on the eyes an astro-spyder, baby!

A powertripp'n - NO - NO - NO - Maybe? Come on!

Angel trumpets again yeah!

Motherf\*\*ker scream "horrorshow" time a diamond ass right on my line!

Come on. She said "Take me away!" Away! Away! Yeah!!

Bruning like fat in the fire the smell of red, red groove screamed  
mega-flow

A stalking ground without prey. A flash of superstition whimpering  
like a crippled animal.

Dogs of the Soul-Crusher! Pulling closer like the blue steel jaws of

hell.

Digg'n in my heart I find a human generator. Duke of N.Y. See Yeah!

Eliminator all you need is love.

Yeah! Like a cool and crazy freak machine she twanged off and out  
like I never seen.

I gonna take her, take her down, down, down watch out!

Shack'n out in my skin - flesh 'n' waves they begin!

I going out like a holiday (Shout It!)

Then my mind generate a weepy young "D" to terminate.

Takin' a trip - I said, "Straight to hell" (Shout It!)

Real country dark the street, hog the road - swamp beat.

She gonna know just what I mean - yeah!

Trip back on the serpent move Z-man slowly bang the groove.

Takin' a trip - "A real kick" to hell (Shout It!)

Think'n that when she die - spirit go up to the sky!

Devil come a stepp'n brainiac a look'n below - yeah! (Shout It!)
