

Lab Black, Tell Me Why

I tell you that I love you
You don't believe a word I say
I tell you that you're beautiful
Ere you just turn away
How does it feel to be like you?
How does it feel to break me like you do?
How do you feel when I'm alone with you?
Are you out of your head? 'Cause I'm out of my head

Tell me why some things are perfect
Tell me why some things are wonderful
Tell me why some things are out of reach
Tell me why why why

I wanna know the things you think
I wanna be the ghost in you
I wanna sleep, I wanna live inside your dream
We'll make it all come true
How does it feel to be like you?
How does it feel to break me like you do?
How do you feel when I'm alone with you?
Are you out of your head, cause I'm out of my head...

Tell me why some things are perfect
Tell me why some things are wonderful
Tell me why some things are out of reach
Tell me why why why

Maybe I'm lost in my own world
Maybe I'm in love with the wrong girl
Maybe you need someone like you
Who hurts like you
Tell me why some things are perfect
Tell me why some things are wonderful
Tell me why some things are out of reach
Tell me why why why
Tell me why why why
