

# Labia, New Desert

The birds will show you  
about the snakes location  
Shrubs will show you  
where the water does flow  
The sings tell you  
what to do for survive  
if you want it  
you'll get it  
Just want to make you  
feel, feel  
Specially for you I've got to say

Follow the signs!

There is that language  
witch goes further than words  
You've got to realize  
that all is only one thing  
Learn to respect  
and to follow all the signs  
if you want it  
you'll get it  
Just want to make you  
feel, feel  
If you really want to you will get  
If you really want to you will get  
If you really realize,  
than it will help  
to put your pain away
