

# Labyrinth, The Right Sign

I believe in the power of love  
I want to see a change in the future

take me to places I've never seen  
all of you have to pay  
(Gods you know?)

Ice and fire ... Where's the land of my desire?  
Ice and fire ... Cast a dream and feel the power

I believe in the power of love  
I want to see a change in the future

take me to places I've never seen  
all of you have to pay  
(Gods you know?)

Ice and fire ... Where's the land of my desire?  
Ice and fire ... Cast a dream and feel the power

Ice and fire ... Where's the land of my desire?  
Ice and fire ... Cast a dream and feel the power
