

# Lacrimas Profundere, Amber Girl

Yes I want you to  
I want you to be mine  
To be  
Fall through seven seas  
One suck you can't deny  
For me

Shed ballast tears my dear  
For you my Amber Girl  
Or set you on fire  
Be mine or not I die for you  
Sweet Amber Girl  
I bleed for us and bask in you

Be my little heart  
Flaming lips on mine  
To see  
Symbols on your tongue  
Say it's a begin  
Believe

Shed ballast tears my dear  
For you my Amber Girl  
Or set you on fire  
Be mine or not I die for you  
Sweet Amber Girl  
I bleed for us and bask in you
