

Lacrimosa, Copycat

Come a little bit closer
and hear what i've got to say
burning words of anger
of hate and desperation

What if I break the silence?
What if I do forgive the past?

I know, it might sound funny
to tell you what i felt
i mean, i really loved you
it's a shame - my fault - i know
but why - but why
why are you so stupid?

Fuck you and your killing lies
i hate your pissing attitude
why did you have to go so low
truler - Copycat

What if i break the silence?
What if i do forgive the past?

Sucking like a vampire
the blood of all your friends
but sorry, my blood was poisoned
now burn in Hell

You killed the love
You killed the trust...

What if i break the silence?
What if i do forgive the past?
