Lacrimosa, Copycat

Come a little bit closer and hear what i've got to say burning words of anger of hate and desperation

What if I break the silence? What if I do forgive the past?

I know, it might sound funny to tell you what i felt i mean, i really loved you it's a shame - my fault - i know but why - but why why are you so stupid?

Fuck you and your killing lies i hate your pissing attitude why did you have to go so low truler - Copycat

What if i break the silence? What if i do forgive the past?

Sucking like a vampire the blood of all your friends but sorry, my blood was poisoned now burn in Hell

You killed the love You killed the trust...

What if i break the silence? What if i do forgive the past?
