

Lacuna Coil, Falling Again

I lay, looking my hands
searching these lines
I've not the answer
cry, and I don't know
watching in the sky
and searching an answer
I'm free, free to be
I'm not another liar
I just wanna be myself... myself

now the being inside of me
is the sort of a cold breath and I've
never had that feeling inside
around me...
I bring my body
carring into another world
I know I live... but like a stone I'm falling down

I pray, looking to the sky
I can feel this rain
right now it's falling on me
fly, I just want to fly
life is all mine
somedays I cry alone,
but I know I'm not the only one
I'm here and another day is gooone
I don't wanna die...
Please be there when I arrive, don't cry... please
