

Lacuna Coil, Wave Of Anguish

There's something weird I wouldn't believe
Losing grip on my lifetime
I don't understand this wave I'm in
Wrong place, no money, just responsibilities

My heart and my wish are so far away
I'm alone now, feeling the slow beat turning fast
No longer breathing
I'm returning in my own hell

I don't want to go
Hold me into your arms
So tight you cannot see
You'll see it

In another world
Hold me into your arms
So tight you cannot see
You'll see

There is something strange you've got to believe
It's taking away my sunshine
I don't understand this wave I'm in
Wrong face, no money, just responsibilities

My heart and my wish are so far away
I'm alone now, feeling this slow beat turning fast
No longer breathing
I'm returning my own hell

I don't want to go
Hold me into your arms
So tight you cannot see
You'll see it

In another world
Hold me into your arms
So tight you cannot see
You'll see

I don't want to go
Hold me into your arms
So tight you cannot see
You'll see it

In another world
Hold me into your arms
So tight you cannot see
You'll see it
You'll see it
You'll see it
