## Lacuna Coil, Wide Awake

The rebel inside A mind of my own

I haven't felt right

Since the moment that I gave up.

I challenge my limits

I'm feeling I'm becoming meaningless

I take it all in

And inhale.

I'm wide awake

Open my eyes

And the sky's so blue

All of the sudden

I know that I treasure my life

I find myself

Wide awake

Like you...

The struggle within

Now I understand

Freedom begins

When you get out of the cage

You've built.

It looks like I'm crazy

But I'm not the only one

To believe in myself

Believe in myself

I won't be coming undone

Cause I feel like...

I'm wide awake

Open my eyes

And the sky's so blue

All of the sudden

I know that I treasure my life

I find myself

Wide awake

Like you...

I'm wide awake

I open my eyes

And the sky's so blue

All of the sudden

I know that I treasure my life

All of the sudden

I know that I treasure my life

Like you...
