

Lady And Bird, Shepard's Song

At first I wondered why they only speak to each other
It took me some time to understand
That they cannot see or hear any of the crowd
After observing their childlike behaviour I understood
They were two little children stuck in the bodies of grown ups

To the girl I said
You are Lady
To the boy I said
You are a bird but you cannot fly

They knew about the presence of other people
They knew about the sun
And at some point right before the break of day
They could see me,
Not knowing that I come from the outside

On the seventh day she looked up at me and said
I am Lady
And the boy said
I am Bird but I cannot fly

You are a bird
