

Lady Antebellum, Need You Now

Picture perfect memories scattered all around the floor
Reachin for the phone cause I can't fight it anymore
And I wonder if I ever crossed your mind
For me it happens all the time

It's a quarter after one, I'm all alone and I need you now
Said I wouldn't call but I lost all control and I need you now
And I don't know how I can do without
I just need you now

Another shot of whiskey can't stop looking at the door
Wishing you come sweeping in the way you did before
And I wonder if I ever crossed your mind
To me it happens all the time

It's a quarter after one, I'm a little drunk and I need you now
Said I wouldn't call but I lost all control and I need you not
And I don't know how I can do without
I just need you now

Guess I'd rather hurt than feel nothin at all
It's a quarter after one I'm all alone and I need you now
And I said I wouldn't call but I'm a little drunk and I need you now
And I don't know how I can do without

I just need you now
I just need you now
O baby, I need you now
