

# Lady GaGa, Babylon

We only have the weekend  
You can serve it to me  
Ancien-city style  
We can party liek B.C.  
Whit a pretty 17th century smile

It's a thing  
Taht you bring  
That you bring /2x  
Him, you and me  
That's gossip

Strut it out  
Walk a mile  
Serve it, ancien-city style  
Talk it out  
Babble on  
Battle for your smile, Babylon  
That's gossip what you on?  
Money don't talk  
Rip that song  
Gossip, babble on  
Battle for your smile, Babylon

Babylon, Babylon  
Gossip, Gossip  
Gossip Gossip  
Babylon, Babylon
