

Lady GaGa, Fooled me again, honest eyes

It's been hard day, harder night
The rockstar's girlfriend
She lost the fight
Well, It's alright baby, I'm nobody's mother
When you don't want the last cigarette to be over

You fooled me again,
Fooled me again
With your honest, honest, honest eyes
Again, fooled me again
With your dirty mouth full of honest lies
Again, oh when, you fooled me again
Oh yeah
You're so honest
Full of honest
Eyes

It's been two days
Since he left home
She dried her eyes
Picked up her microphone
She sang "It's alright baby, I'm nobody's mother
But I don't want this last cigarette to be over"

You fooled me again,
Fooled me again
With your honest, honest, honest eyes
Again, fooled me again
With your dirty mouth
Full of honest lies
Again, oh when you fooled me again
Oh, yeah
You're so honest
Full of honest
Eyes

You fooled me again
Fooled me again
With your honest, honest, honest eyes
Again, you fooled me again
With your dirty mouth
Full of honest lies
Again, oh when, fooled me again
Oh yeah!
You're so full of it
Full of shhh-honest
Ey-ey-ey-ey-ey-eyes
Honest, honest, so freakin' honest
Na-na-na-na-na-na-na-na-na-na
You're so full of it
At least your honest
Eyes
