

Lady GaGa, Plastic Doll

I am plastic
Plastic doll
Plastic technologic

Open me up and cut me loose
I come whit a purse and new shoes
Am i your type?
Am i your type?

I've lived in a pink box so long
I am top shelf
They built me strong
Am i your type?
Am i your type?

Cause i've spent too long
Dancing all alone
Dancing to the same song
I am no toy doe a real boy
If you're a real boy
