

Lady GaGa, Smile

Lady Gaga prezentuje piosenkę "Smile" z płyty "Harlequin" (premiera 27 września 2024 r.).

Smile though your heart is aching
Smile even though it's breaking
When there are clouds in the sky
You'll get by

If you smile through your fear and sorrow
Smile and maybe tomorrow
You'll see the sun come shining through
For you

Light up your face with gladness
Hide every trace of sadness
Although a tear
May be ever so near

That's the time you must keep on trying
Smile, what's the use of crying?
You'll find that life is still worthwhile
If you'll just smile

Souriez même si votre cœur se brise
Quand il y a des nuages dans le ciel
Vous vous en sortirez si vous souriez
Souriez, souriez
Je vous adore

That's the time you must keep on trying
Smile, what's the use of crying?
You'll find that life is still worthwhile
If you'll just smile
