

Lady GaGa, Swine

[Verse 1]

Hush up, don't speak don't wanna hear another
Not another word (from you)
You're just an ani-mal, tryin' to act real special
But deep down you are (just a shrew)
Maybe I should have a little more just to stay out of my mind
Cuz it's when I'm not thinking with you
That I act like a swine
Act like a swine
Act like a swine

[Chorus]

I know I know I know I know you want me
You're just a pig inside a human body
Squealer, squealer, squeal out, you're so disgusting!
You're just a pig inside

Do ya I know I know I know you want me
You're just a pig inside a human body
Squealer, squealer, squeal out, you're so disgusting!
You're just a pig inside

[Post-Chorus]

Swine!
Swine!
Swine!
Swine!

[Beat Break]

Swine!
Swine!

[Verse 2]

Be that hog sweat it out you squeala
Let your body jiggle
Slap her skin-he, love to watch her ass go wiggle
It's the feel of ecstasy
Maybe I should have a little more just to stay out of my mind?
Cuz it's when I'm not thinking with you
That I act like a swine!
Act like a swine!
Act like a swine!

[Chorus]

I know, I know, I know, I know you want me
You're just a pig inside a human body
Squealer, squealer, squeal out, you're so disgusting!
You're just a pig inside

Do ya I know I know I know you want me
You're just a pig inside a human body
Squealer, squealer, squeal out, you're so disgusting!
You're just a pig inside

[Post-Chorus]

Swine!
Swine!
Swine!
Swine!
