

# Lady Lily, Patrik Pacard

Patrik - Patrik - Patrik Pacard

Patrik - Patrik - Patrik Pacard.  
There is a secret it's his

follows you no matter where you are

Worth more than many a dream - Patrik Pacard.  
Good men and bad by your side

somewhere out there in the dark

Gone with the morning light - Patrik Pacard.

Farewell  
you're a stranger here

You're still in danger here  
all on your own.  
Heroes must win in the end

you are the best one by far - Patrik Pacard

Patrik - Patrik - Patrik Pacard

Patrik - Patrik - Patrik Pacard

Patrik Pacard!  
Farewell  
you're a stranger here
