(Verse 1)

For a second I'll be the fashion police and I'm just looking at your garms you been on too many ca With your grannyfied curtain designs, your hurting my eyes,

You really should revise your dress sense before you walk on by,

I'm kinda mixed up in this disco inferno,

Baggy jeans and a tight top, lemonade and Pernod

I'm sticking out like a sore thumb but I ain't concerned though, no, uh oh, oh oh oh (boogie)

(Chorus (repeat 2x))

Fling on an Adidas hoodie and just boogie woogie with me

Oooh...

Or you can just,

put on your dancing shoes

And get loose, can you, get loose, can you?

(Verse 2)

So I was up in this trendy bar mingling My keys around my neck were jingling

And you was looking at me like it was my bling

You was staring at me like to say I was ginger

I was dishing out the same dirty looks trust me you're the minger

Errrr, who's she, who's that, who's her??

The bouncer was approaching me coz I was dressed really inappropriately

No hood, no hats, no this, no that

Lets roll uh oll oll oll ..(out!)

(Chorus (2x))

Right everybody, if you've got someone who can't dress properly, yeah you need to direct them this

(Verse 3)

Why not just cut up all your old clothes and make a quilt so I can wrap myself up when I'm feeling of Why not dash your ugly boots on the fire and then dump charcoal,

If you're not feeling the way that your bredgin is dressin' don't be stressin', send them in my directic Black shoes, white socks, no uh oh

Polka dots, no uh oh

Flowery frocks, no uh oh

Just boogie woogie with me!!!
