Fell in love with money makin' it feel like I'm gettin' married

I got plays in LA, but I'm Chicago made, don't get it twisted
Bitches suckin' dick for features, I'm a boss and that's the difference
You stuck on the couch watchin' the news, that shit a sickness

You can't get up off a zip, don't waste the breath, askin' me 'bout a ticket
