

# Ladyhawke, Another Runaway

I never said i was a one time woman  
I never wrote it  
I never said it  
I should have known you`d leave me out here hanging on  
I should have seen it  
I didn`t get it

Oh oh oh i don`t believe it  
Oh oh oh you never mean it

It`s too late, it`s too late, it`s too late to call back yesterday  
It`s too late, it`s too late i`m just another runaway  
It`s too late, it`s too late, it`s too late to call back yesterday  
It`s too late, it`s too late i`m just a  
Another runaway, another runaway  
Another runaway, another runaway

You always said i was your part time woman  
I don`t believe it  
I didn`t see it  
You always acting like a part time wanna be  
I shoulda seen it  
I didn`t get it

Oh oh oh i don`t believe it  
Oh oh oh you never mean it

It`s too late, it`s too late, it`s too late to call back yesterday  
It`s too late, it`s too late i`m just another runaway  
It`s too late, it`s too late, it`s too late to call back yesterday  
It`s too late, it`s too late i`m just a  
Another runaway, another runaway  
Another runaway, another runaway  
Another runaway, another runaway

Oh oh oh i don`t believe it  
Oh oh oh you never mean it

It`s too late, it`s too late, it`s too late to call back yesterday  
It`s too late, it`s too late i`m just another runaway  
It`s too late, it`s too late, it`s too late to call back yesterday  
It`s too late, it`s too late i`m just a  
Another runaway, another runaway  
Another runaway, another runaway
