## Ladyhawke, My Delirium

Late night, Waiting by the phone Tonight waiting for an answer Heartbeat drumming double time I need one more chance to be near you

Still hanging on (for what)
Can't operate (fired up)
I won't eat eat and I sleep for you yeah
No rest till I (get through)
coz I'm holding out (for you)
Am I the only one who's insane

Hey you're playing with my delerium And the longer I wait the harder I'm gonna fall Stop playing with my delerium coz I'm outta my head and outta my self control

Still here in this quiet room Deep in delusion sending me over Outside watch the world go by Inside time stands still as I wonder

Still hanging on (for what)
Can't operate (fired up)
I won't eat eat and I sleep for you yeah
No rest till I (get through)
coz I'm holding out (for you)
Am I the only one who's insane

Hey You're playing with my delerium And the longer I wait the harder I'm gonna fall Stop playing with my delerium Coz I'm outta my head and outta my self control

(I won't eat eat and I sleep for you yeah)

Hey You're playing with my delerium
And the longer I wait the harder I'm gonna fall
Stop playing with my delerium
coz I'm outta my head and outta my self control
Hey You're playing with my delerium
And the longer I wait the harder I'm gonna fall
Stop playing with my delerium
coz I'm outta my head and outta my self control
