## Ladyhawke, Oh My

I'm writing words for you There's nothing else to do All my life I feel like I can I'm writing songs for you I know it's nothing new All my lines can't stop you cryin Oh my, oh my, oh my You try I wonder why You came, you came beside Don't lie, you see another day Oh my, oh my, oh my You try, I wonder why You can't, you can't decide Don't lie, you see another day You turn away from me I try to make you see All your life you run from trying I've waited patiently, but patience has a fee All my love has gone unnoticed Oh my, oh my, oh my You try I wonder why You came, you came beside Don't lie, you see another day Oh my, oh my, oh my You try, I wonder why You can't, you can't decide Don't lie, you see another day Oh my, oh my, oh my You try I wonder why You came, you came beside Don't lie, you see another day Oh my, oh my, oh my You try I wonder why You came, you came beside Don't lie, you see another day Oh my, oh my, oh my You try I wonder why You came, you came beside Don't lie, you see another day
