Ladysmith Black Mambazo, Hello My Baby

Hello My Baby

Hey baby

Hey beautiful girl

Hey baby hey

Sing hey baby hey

Hey baby hey hey

Hey beautiful girl

Come along, come along

To kiss me

Before I'm going

Come along

Come along

To kiss me

Before I'm going

Don't you kiss me nice nice

Before I'm going

Don't you kiss me nice nice

Before I'm going

Come along

Come along

Come along

You you you

Don't you meditate

I sent a messenger to tell you that

I want to meet you at the station

Come along, come along, to kiss me before I'm going

Come along come along

To kiss me before I'm going

Don't you kiss me nice, nice

Come along

Come along

Come along

You you you

Hello my baby

Hello my baby

Hello my sweet

Hello my baby

Hello my sweetheart

Don't you meditate

Don't you meditate

I send a messenger to tell you that I want to meet you

In a station
