

Lagoona, Always In My Heart

A distant thought is passing by,
I keep on asking how and why,
are you so far away?
And I know, that you will be gone for a long, long time,
until we meet again, I will be missing you.

But I know, even when we're apart,
you are always in my heart.

The morning comes, the day is bright,
and I've been awake all night in tears,
for our memories.
And I know, that I shouldn't cry at all my friend
but I can't help it, not 'til we meet again.

But I know, even when we're apart,
you are always in my heart.
