

LaGrecia, Don't Wanna Be Right

This song ? vision
That sooner or later God will come for us all
Got nothing
?
The clocks unwound
?
? my next scheme
I chose
Im set up, and Im finished
I can say that with conviction
Wondering where I went wrong
If Ive done anything at all
I was set up from beginnings
I could prove it, but I dont have to
Sure, Ive done a lot of things wrong
But you havent seen anything
The rest ha ha ha
I dont know a shoulder that could handle the weight
??
Call in ?
Im set up, and Im finished
I can say that with conviction
Wondering where I went wrong
If Ive done anything at all
I was set up from beginnings
I could prove it, but I dont have to
Sure, Ive done a lot of things wrong
But you havent seen anything
