

# Lagwagon, Freedom Of Choice

a victim of collision on the open sea nobody ever said,  
life's for free sink, swim,  
go down with the ship use your freedom of choice  
i'll say it again, in the land of the free  
use your freedom of choice your freedom of choice  
in ancient rome there was a poem about a dog  
he picked the one he licked the other he ran in circles  
he's not dead! freedom of choice  
is what you've got freedom of choice  
then if you got you don't want  
it seems to be the rule of thumb  
don't be tricked by what you see  
you got two ways to go  
i'll say it again, in the land of the free use  
your freedom of choice your freedom of choice  
freedom of choice is what you've got freedom of choice  
in ancient rome there was a poem  
about a dog?? ?? he licked the one  
he nicked the other he ran in circles  
he's not dead! freedom of choice  
is what you've got freedom from choice  
is what you want freedom of choice  
is what you've got freedom of choice
