

Lagwagon, Give It Back

Trying to ignore him
Trying to have self control
When that tongue slips just once
It's in his eyes

Thank you...

Silence by energy
Push me down
And the likes to come again
Here to make you listen to them
Treated to many times
The eye for eye has left us blind
This creature of demise
Repaid all the time

You hate them
You hate yourself
Take it out on someone else

I feel a change within myself
I used to be out of control
I always knew anger and pain
That inspiration was a game
But now it seems as I grow old
As I mature I'm lesser bold

I can't believe how cruel and cold some people act
I give it back

Cause I don't want it and I don't need it
So I give it back
Cause I don't want it and I don't need it

Don't wanna understand the child abuse, the past gone violence
Don't justify his violent nature

Soon or later I hope he meets his maker once again
And like his father before him he kills himself

Cause I don't want it and I don't need it
So I give it back
Cause I don't want it and I don't need it

You hate them
You hate yourself
Take it out on someone else
