

Lagwagon, No One Like You

girl, it's been a long time that we've been apart
much too long for a man who needs love
ive missed you since i've been away
babe, it wasn't easy to leave you alone
it's been harder now that i'm gone, if i had a choice i would stay
There's no one like you
i can't wait for the nights with you
i imagine the things we do
i just wanna be loved by you no one like you
i can't wait for the nights with you
i imagine the things we do
i just wanna be loved by you
girl, there are really no word strong enough
i've been wanting that 12 year old love
i don't want my feelings restrained
oh babe, i just need you like never before
i've been watching you since you were four
i'll take all my sorrow away
killer pussy
i can't wait for the nights with you
i imagine the things we do
i just wanna be loved by you no one like you
i can't wait for the nights with you
i imagine the things we do
i just wanna be loved by you
there's no one like you
i can't wait for the nights with you
i imagine the things we do
i just wanna be loved by you
no one like you
i can't wait for the nights with you
i imagine the things we do
i just wanna be loved by you
