

# Lagwagon, Shaving Your Head

You used to watch them fall,  
and you saw them distraught.  
But the attention that they got,  
it surrounds them.

As we watch them enslave,  
you could only laugh,  
what a loser, what a shame,  
said we'd never play the...

And now it seems you haven't learned your lesson,  
I guess you have to share the pain,  
and now the tainted blood leaves stains beyond your back,  
and in their words I hear your shame...

How can you lie to me?...

When in your eyes I can see crazed and vacant.

As you're caught in the act,  
you always wanted this,  
now you feel the stab,  
Are you happy to be sad?  
is there pleasure in the ...

And now it seems you haven't learned your lesson,  
I guess you have to share the pain,  
but now the tainted blood leaves stains beyond your back,  
and in their words I hear your shame...

As it makes you sick,  
Do I make you scared?  
when you see what you once were,  
as you're shaving your head.  
...yeah...

The scared boy thinks he sees,  
if you can't read his eyes,  
but you can read, you can read his eyes,  
his lies.
