

Laibach, Turkiye

Fear not and don't be dismayed
This crimson flag shall never fade
I know it will always shine
My Nation's star and it is mine
It will always shine
I know it will always shine
Freedom is my people's right
Freedom is my people's right
Freedom is my people's right
Freedom is my people's right
The West may be armored with steel

But we have the fate and believe
Freedom is my people's right
We worship God and seek the myths
