

Laika, Thomas

sittin' in the corner
eye-in' little Jella
her head all clink-clank
scary box of knick-knacks
she's always in a scurry-scurry
shakin' with her worry-worry
kickin' up a sandstorm
runnin' up the slide-down

bee buzz buzzing
hummin' bird a hummin'
heart beatin' clip-clop
burstin' like a pea pod
sparky little milk pup
rippin' up the hearthrug
kickin' up a sandstorm
runnin' up the slide-down
kickin' up a sandstorm
runnin' up the slide-down
