

Lake, Amigo

Hello Amigo, don de esta pobre rico
I've been searching for him has he crossed your way
Hello Amigo, don de esta romantgo cito
He gets crazy but it's never been this way

Almost 20 days since I saw him
You'll know him if you see
He looks like kind of the island
But he's really just like you and me

Hello Amigo, don de esta pobre rico
Can't believe that he'd jut up'n' disappear
Hello Amigo, don de esta romantgo cito
if you see him you should call me right away
