

# Lake, Do I Love You

The waterfall of life  
Above the sands of time  
I love you like a mountain  
Above the countryside  
The ocean breeze it blows your hair  
so free  
The sky is making changes  
Reflections to the sea  
Whoa oh oh  
No no no no no no  
No no no

Do I love you much too much  
Do I live without you touch  
Is it right to feel  
The way I feel about you  
Do I mean so much to you  
Do you feel the same way too  
So I ask myself again, over and over  
Do I love you, love you, love you  
Do I love you, love you, love you

The day is clouding over  
Rain is falling free  
I love you like a river  
That flows out to the sea  
The moonlight shines so silver,  
Falling on you face  
The stars are changing color  
For love is in the air  
Whoa oh oh  
No no no no no no  
No no no

Do I love you much too much  
Can I live without your touch  
Is it right to feel  
The way I feel about you  
Do I mean so much to you  
Do you feel the same way too  
So I ask myself again, over and over  
Do I love you, love you, love you  
Do I love you, love you, love you

Do I love you much too much  
Can I live without your touch  
Is it right to feel  
The way I feel about you  
Do I mean so much to you  
Do you feel the same way too  
So I ask myself again, over and over...
