

Lake, Hit Your Mama

Something in the way she say she need you
Something but the style she say she care
'cause you don't know where you're goin'
Don't know if its night or if its day
You try your best to please her
Even though it hurts you all the way

Friends they try to tell you what she's doin'
But you won't believe a word they say
You're so busy out to dinner
Candelight a table just for two
You're spending your last Dollar
Just to make her say a word to you

Hit your mama
Hit her again till she say I love you
Hit your mama
Hit her again and again
Hit your mama
Hit her again till she say I love you
Hit your mama good
Cause she's counting on you

Take her in your arms and hold her tightly
Tell her she's the only one for you
If she tries to change the subject
Play along until she's said her due
If she won't even listen
Yeah, there's only only one thing you can do

Hit your mama
Hit her again till she say I love you
Hit your mama
Hit her again and again
Hit your mama
Hit her again till she say I love you
Hit your mama good
Cause she's counting on you
