## Lake, Josie

We're gonna break out the hats and hooters When Josie comes home We're gonna rev up the motor scooters When Josie comes home to stay We're gonna park in the street Sleep on the beach and make it Throw down the jam till the girls say when Lay down the law and break it When Josie comes home

When Josie comes home So good She's the pride of the neighborhood She's the raw flame The live wire Prays like a Roman With her eyes on fire

Jo would you love to scrapple She'll never say no Shine up the battle apple We'll shake 'em all down tonight We're gonna mix in the street Strike at the stroke of midnight Dance on the bones till the girls say when Pick up what's left by daylight When Josie comes home

Josie comes home So bad She's the best friend we never had She's the raw flame The live wire She prays like a Roman With her eyes on fire
