

# Lake, Paradise Way

No one ever takes our walk in the park  
Gotta run, and you dont stop to say  
Lovely day, on the way

When you sleep you need a friend by your side  
Keep him under your pillow at night  
Fourty-five by your side

In the town, the people stay at home  
On the street, you gotta fight to stay alive  
The temperature is high, on the rise

Paradise way  
Coming your way  
Soon you can join the parade  
Welcome to Paradise Way

At the school the pushers wait in a line  
For the finishing bell to be rung  
Catch em young, get em hung

Not a witness at the scene of the crime  
As the police arrive sirens blare  
Full of hate, always late

Dont fall, youll start a landslide  
Dont call, because youll find that no one hears  
They close their minds and ears, with their fear
