

# Laleh, Go Go

The steps that we take  
The steps that we take  
The steps that we take  
The steps that we take

well Im lost in the drums  
and Im lost in the base  
and Im lost in the girl with a cute face  
And I loose my self in the drums that i play  
and I play like I play for the beauty of your face  
and I know, I know  
I know what I know  
you wont believe me if I say so  
If you for a while could see what I see in you girl  
Cant she tell, cant she tell?  
If you see youre even more beautiful then

Go go, go  
All we need Is some rhythm to dare  
1, 2, 3 let me lay out the rhythm of the steps that we take

Go go, go  
all we need Is some rhythm to dare  
1, 2, 3 let me lay out the rhythm of the steps that we take

The steps that we take.  
The steps that we take.

Weve been lost too long  
weve been lost in the blaze  
But its never to late  
to walk away  
and what are the choices  
realise and stay and  
realise her faith go down with the plain  
and whats new whats old  
o lend me hope  
say you wont be the one without control  
let it happen girl  
let it happen let go, go

Cant she tell, cant she tell?  
If you see youre even more beautiful then  
If you could see what i see girl  
Cant she tell, cant she tell?  
If you see youre even more beautiful then

Go go, go  
all we need Is some rhythm to dare  
1, 2, 3 let me lay out the rhythm of the steps that we take

Go go, go  
all we need Is some rhythm to dare  
1, 2, 3 let me lay out the rhythm of the steps that we take

The steps that we take.  
The steps that we take.  
The steps that we take.  
The steps that we take.
