

Laleh, Hide Away

Dont tell me not to leave
Right before I go
you dont even know
what youre asking me to do
dont tell me honey please
I have made a choice
There's nothing in the world
You can do to change my mind

Was looking for a place to hide away
Instead I lost the heart I gave away
Tell me how could love stand a chance again..

I must admit that I
Been feeling so alone
Its what I am
Its what I've been, what I've become

Dont push it we both know
Im falling every time
You look at me
Like you did
When you were mine

Was looking for a place to hide away
Instead I lost the heart I gave away
Tell me how could love stand a chance again...
