

# Lali Puna, Geography-5

Wrapped in glassine paper  
You should sleep before you know  
The window shows the same blue  
It would never do at home  
Twenty-five hours instead  
Twenty-five hours instead  
Detroit on my mind  
Strange news from outside  
Twenty-five hours instead  
Twenty-five hours instead  
Detroit on my mind  
Strange news from outside
