

# Lamb, Gabriel (MJ Cole Remix)

I can fly  
But I want his wings  
I can shine even in the darkness  
But I crave the light that he brings  
Revel in the songs that he sings  
My angel Gabriel

I can love  
But I need his heart  
I am strong even on my own  
But from him I never want to part  
He's been there since the very start  
My angel Gabriel  
My angel Gabriel

Bless the day he came to be  
Angel's wings carried him to me  
Heavenly...

I can fly  
But I want his wings  
I can shine even in the darkness  
But I crave the light that he brings  
Revel in the songs that he sings  
My angel Gabriel  
My angel Gabriel
