

Lamb Of God, A Warning

I'm a monster so don't walk my way.
Don't trust my smile my teeth are like knives.
I'll drag you down & suck you dry.
Don't laugh at my jokes- the punchline is murder.
Don't enjoy my touch, every caress hides a chokehold.
I'm only happy when I've ruined everything I see.
Believe everything you've ever heard about me- suck it up.
If you see me coming don't stop, just turn & walk the other way.
I will not lie about what I have done, I will not lie about what I will do to you, the sweat of
my exertion is pure poison, I'm hell.
